<body bgcolor='white'>
  <h1>MICROSOFT NAMES CREDIT CARD PROCESSING COMPANY<h1>
  <p>Microsoft has hired the largest credit card authorization and processing
  company in the world to handle transactions placed over the Microsoft
  Network (MSN). NaBanco, a subsidiary of Atlanta-based First Financial
  Management Corporation will handle credit card purchases of goods and
  services from the growing list of service providers MSN is attracting, a
  list scheduled to expand by the dozens this week when Redmond releases the
  names of companies targeting the SOHO market through MSN.</p>
